2017-04-19 Hickman Tonopah update.docx

Thanks for all the edits, everyone. I've accepted changes and commented on nearly everything in the updated version attached. Time's short and I'm in my office meeting from 9-10, so I'm likely to bring hard copies to the meeting. A few other notes:

- In terms of actions/options, I did not include "Letter from air enforcement", but let me know if that should be included.
- Janice provided me a copy of the Powerpoint presentation, and I'll print out selected pictures from that and what Margaret forwarded

Further edits attached because it would be best to describe the facility and then we can discuss our thinking

**Subject:** Hickman Tonopah briefing paper

It's a little unclear to me what the goal of our 10 am Wed meeting on Hickman is, but I've prepared the following briefing paper to summarize the Air Division activities and options. Feel free to provide input and edits, especially with regard to potential options. I'll consolidate any comments and have an updated version ready for the meeting tomorrow.
